 Yes, but only around my Township/City  
 Yes, I'll work anywhere in the County

(We make every effort to assign Election Inspectors to a polling place close to their home. However, if that is not possible, we often have openings in other districts if you are willing to travel)

I understand that:

- all Election Inspectors are required to attend a training course every year (lasting approximately 3 hours)
- the Election Day hours of an Election Inspector are approximately 5:30am to 9:30pm (11:30am to 9:30pm for a Primary or Village Election) and I will be required to stay until all the Election duties are completed
- or
- I am only interested in working a half-day shift
