**IDENTIFICATION REQUIREMENTS**

Your identity must be verified prior to election day, so that you will not have to provide identification when you vote. If your identity is not verified before election day, you will be asked to provide identification when you vote for the first time. Samples of the identification you may provide include a valid photo ID, a current utility bill, bank statement, government check or some other government document that shows your name and address.

If you include a copy of any identification with this application, be sure to tape the sides of this form closed.

**TO COMPLETE THIS FORM:**

**Box 9:** If you have a current DMV number, you must provide that number. If you do not have a current DMV number, you must provide the last four digits of your social security number.

**Box 10:** If you have never voted before, write "None." If you can't remember when you last voted, put a question mark (?). If you voted before under a different name, put down that name. If not, write "Same."

**Box 11:** Check one box only. In order to vote in a party primary, you must be enrolled in one of New York's 5 constituted parties.
